New members and new ideas are essential to the creativity of the group.

Your membership includes:

- Member Spotlight – Your business or organization will be featured on our social media for one week during the membership year
- Meetings for planning and networking
- Business marketing information and networking with other chambers and our members
- Events to benefit the local community and highlight local businesses
- *An opportunity for you to become involved in issues which concern our community and local businesses.*

### 2024 Annual Dues\*:

- Non-profit organizations and individuals ..... \$75.00
- Businesses ..... \$100.00
